New Bedford Harbor Superfund Site Teachers' Workshop

June 28 & 29, 2006

Help protect your students' health & teach them to be stewards of the Harbor. Workshop & winter call-back attendance earns 14 Science PDPs.

.....

Fun, Free Workshop Includes:

- ❖ Teachers' Resource Fairs
- ❖ Salt Marsh & Estuary Visits at The Lloyd Center, Dartmouth
- ❖ Tour of EPA's Harbor PCB

Cleanup Facility

- ❖ Sessions at New Bedford Public Schools' Sea Lab

In my 30 years of teaching, this was the best workshop I've ever attended.
